**HirEase, Inc. And Call24, Inc. d/b/a HealthCareSource® Partner To Provide Unified HR Services Using Position Manager® For More Than 775 Hospitals Nationwide**  
*HirEase, Inc., a leader in employment and applicant processing services and Call24, Inc. d/b/a HealthCareSource, the leading developer of recruiting, hiring and HR solutions combine efforts to provide seamless applicant processing and tracking for hospitals*

**Southern Pines, NC – May 2007:** Paul Dent, Chief Executive Officer of HirEase, Inc. announced the company's partnership with Call24, Inc. d/b/a HealthCareSourceHR® to integrate HirEase, Inc.'s applicant processing technology with their proprietary software, Position Manager®. Position Manager® is the leading applicant tracking system for hospitals as it automates many of the time consuming tasks that hospital human resource professionals perform manually. With the integration of applicant processing and applicant tracking, clients from both companies have a robust, centralized system to manage a hospital workforce. Dent remarked, *"We are very pleased to offer more than 775 hospitals end to end applicant tracking, recruiting and management capabilities within one unified software platform. HirEase chooses partners who are leaders in their industry and maintain a commitment to providing excellence to clients. Everyone is excited about the opportunities that this strategic partnership represents."*

### **About Position Manager:**

Currently, more than 775 hospitals in 44 states use Position Manager® to automatically manage their job openings, post jobs to their website and intranet site, accept online applications and save them in an applicant tracking module, produce effective reports, scan resumes and applications, automatically update a telephone job hotline and much more. HealthCareSource.com is the nation's leading healthcare job site with over 40,000 current jobs posted.
